MESSAGE FROM THE WASHAKIE COUNTY COVID-19 TEAM

It is extremely important that we all work together to stop the spread of COVID-19. Maintain social distancing - wear a cloth face covering when you cannot maintain 6 ft distancing from others. If you have received isolation or quarantine orders, it is important that you follow them to prevent others from becoming ill. If you have signs or symptoms of COVID-19 please call a medical provider's office to set up a time to get tested.

WASHAKIE COUNTY COVID-19 INFO

Total lab confirmed cases and currently active cases for each county. Active numbers include probable cases. Source WDH

COVID-19 SYMPTOMS

People with COVID-19 have had a wide range of symptoms reported – ranging from mild symptoms to severe illness. Symptoms may appear 2-14 days after exposure to the virus. People with these symptoms may have COVID-19:

- Cough
- Shortness of breath or difficulty breathing
- Fever
- Chills
- Muscle pain
- Sore throat
- New loss of taste or smell

This list is not all possible symptoms. Other less common symptoms have been reported, including gastrointestinal symptoms like nausea, vomiting, or diarrhea. If you have symptoms, please contact your healthcare provider and GET TESTED!

Help Protect Yourself and Others from COVID-19

Practice Social Distancing

Stay 6 feet (2 arm's lengths) from other people.

And Wear a Cloth Face Covering

Be sure it covers your nose and mouth to help protect others. You could be infected and not have symptoms.
