Weston	42	19

Total lab confirmed cases and currently active cases for each county. Active numbers include probable cases. Source WDH

## COVID-19 SYMPTOMS

People with COVID-19 have had a wide range of symptoms reported – ranging from mild symptoms to severe illness. Symptoms may appear 2-14 days after exposure to the virus. People with these symptoms may have COVID-19:

- Cough
- Shortness of breath or difficulty breathing
- Fever
- Chills
- Muscle pain
- Sore throat
- New loss of taste or smell

This list is not all possible symptoms. Other less common symptoms have been reported, including gastrointestinal symptoms like nausea, vomiting, or diarrhea. If you have symptoms, please contact your healthcare provider and GET TESTED!

Enjoy Halloween activities and take steps to protect yourself from getting or spreading COVID-19

### Remember to always

- Wear a cloth mask
- Indoors and outdoors, stay at least 6 feet away from others who do not live with you.
- Wash your hands or use hand sanitizer frequently

### Decorate and carve pumpkins

- Decorate your home for Halloween.
- Carve pumpkins with members of your household or outside with neighbors or friends.
- Walk from house to house, admiring Halloween decorations at a distance.

### Visit an orchard, forest, or corn maze. Attend a scavenger hunt.

- Go on an outdoor Halloween-themed scavenger hunt.
- Visit a pumpkin patch or orchard. Remember to wash your hands or use hand sanitizer frequently, especially after touching frequently touched surfaces, pumpkins, or apples.
- Go to a one-way, walk-through haunted forest or corn maze.

### Other Ideas

- Hide Halloween treats in and around your house. Hold a Halloween treat hunt with household members.
- Hold an outdoor costume parade or contest so everyone can show off their costumes.
- Host an outdoor Halloween movie night with friends or neighbors or an indoor movie night with your household members.
