### COVID-19 SYMPTOMS

People with COVID-19 have had a wide range of symptoms reported – ranging from mild symptoms to severe illness. Symptoms may appear 2-14 days after exposure to the virus. People with these symptoms may have COVID-19:

- Cough
- Shortness of breath or difficulty breathing
- Fever
- Chills
- Muscle pain
- Sore throat
- New loss of taste or smell

This list is not all possible symptoms. Other less common symptoms have been reported, including gastrointestinal symptoms like nausea, vomiting, or diarrhea. If you have symptoms, please contact your healthcare provider and GET TESTED!

## FREE AT-HOME COVID-19 SALIVA TESTING

Available to all Wyoming residents

Each test kit includes:

A Vault test supervisor will guide you through the collection on Zoom.

Other important test details:

Go to [health.wyo.gov](http://health.wyo.gov) to get the ordering link.

The test will be sent via UPS Next Day air to you and includes a prepaid overnight return envelope to the lab

**Do not eat, drink, chew gum, or smoke for 30 minutes before your test.**

You will receive an email from [hello@updates.vaulthealth.com](mailto:hello@updates.vaulthealth.com) with your result within 24-48 hours after your package arrives at the lab. You can also login to your Vault account to view your results by going to [app.vaulthealth.com](http://app.vaulthealth.com)

Contact [wdh.covid19@wyo.gov](mailto:wdh.covid19@wyo.gov) with questions
