### COVID-19 SYMPTOMS

People with COVID-19 have had a wide range of symptoms reported – ranging from mild symptoms to severe illness. Symptoms may appear 2-14 days after exposure to the virus. People with these symptoms may have COVID-19:

- Cough
- Shortness of breath or difficulty breathing
- Fever
- Chills
- Muscle pain
- Sore throat
- New loss of taste or smell

This list is not all possible symptoms. Other less common symptoms have been reported, including gastrointestinal symptoms like nausea, vomiting, or diarrhea. If you have symptoms, please contact your healthcare provider and GET TESTED!

## WASHAKIE COUNTY COVID-19 INFO

See the Washakie County COVID-19 Facebook page at [WashakieCountyCOVID19](#) and website at [washakiecounty.net/covid19](http://washakiecounty.net/covid19) for official information and links to other helpful resources. You **do not** need a Facebook account to view the Facebook page.

### How to Take off a Mask

**Carefully, untie the strings behind your head or stretch the ear loops**

**Handle only by the ear loops or ties**

**Fold outside corners together**

**Be careful not to touch your eyes, nose, and mouth when removing and wash hands immediately after removing**
